School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2019-2020 LCAP Year

This chart shows the total general purpose revenue PUC Inspire Charter Academy expects to receive in the coming year from all sources.

The total revenue projected for PUC Inspire Charter Academy is $4,297,370.00, of which $3,407,388.00 is Local Control Funding Formula (LCFF), $507,804.00 is other state funds, $39,016.00 is local funds, and $343,162.00 is federal funds. Of the $3,407,388.00 in LCFF Funds, $828,882.00 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.
This chart provides a quick summary of how much PUC Inspire Charter Academy plans to spend for 2019-2020. It shows how much of the total is tied to planned actions and services in the LCAP.

PUC Inspire Charter Academy plans to spend $4,288,701.00 for the 2019-2020 school year. Of that amount, $907,637.00 is tied to actions/services in the LCAP and $3,381,064.00 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

The General Fund Budget Expenditures for the LCAP year is LCFF Funding that are not part of Supplemental/Concentration Funding. It includes Leases, Certificated and Classified Salaries.

Increased or Improved Services for High Needs Students in 2019-2020

In 2019-2020, PUC Inspire Charter Academy is projecting it will receive $828,882.00 based on the enrollment of foster youth, English learner, and low-income students. PUC Inspire Charter Academy must demonstrate the planned actions and services will increase or improve services for high needs students compared to the services all students receive in proportion to the increased funding it receives for high needs students. In the LCAP, PUC Inspire Charter Academy plans to spend $907,637.00 on actions to meet this requirement.
This chart compares what PUC Inspire Charter Academy budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what PUC Inspire Charter Academy estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

In 2018-2019, PUC Inspire Charter Academy's LCAP budgeted $679,417.75 for planned actions to increase or improve services for high needs students. PUC Inspire Charter Academy estimates that it will actually spend $704,700.00 for actions to increase or improve services for high needs students in 2018-2019.

The Key features from this year’s LCAP are as follows.

The vision at PUC is that all stakeholders work together, united in a vision of college success for all students. This includes school leaders, teachers, other school staff, parents, community members, and local community organizations such as colleges and universities.

In that students learn in different ways and at different paces and some may have learning gaps that surface as they move through the grade levels, our leaders and teachers use a variety of assessments and data to determine students’ needs on an ongoing basis. Classes and overall school size are small enough that teachers can then individualize and provide intervention as needed in order to keep all students on track.

All PUC schools work diligently at creating and sustaining a culture of mutual respect and caring, with an overarching vision of high school and college graduation for all of our students. The culture is grounded in PUC’s 3 Commitments which are that we will increase the college graduation rate by 5 times in our communities, that all of our students will be proficient within 4 years at PUC, and students will commit to uplift our communities now and forever.

PUC Inspire Charter Academy was founded in 2014 in the Northeast San Fernando Valley. As of February 2019, 94.48% of PUC Inspire Charter Academy’s students are Hispanic, and 0.92% are African American. 17.18% of the student population is served by the Special Education program, and 25.46% of students are identified English Learners (ELs) and 40.49% are Reclassified Fluent English Proficient (RFEP). 81.41% of families qualify for free or reduced lunch. About 17.79% of parents have taken some college coursework or Associate’s degree, and 2.45% have graduate degree or higher.

PUC Inspire Charter Academy is part of a Charter Management Organization called PUC, Partnerships to Uplift Communities. The organization began with one school in 1999 and officially became PUC in 2004. The network now consists of 14 schools which serve 3 specific communities, Northeast San Fernando Valley, Northeast Los Angeles, and Northeast Rochester.

In reviewing progress, the school has a number of areas to celebrate. Of the data reported on the CA School Dashboard Fall 2018, PUC Inspire achieved a high rate of English Learner Progress (61.4% Level 4 or Level 3) and made significant increases in Math (9.97 points to 22.97%) Meets and Exceeds. In Basic Services, all teachers are appropriately assigned. Facilities are well repaired and maintained and in good standing order. All students have access to instructional materials, all courses, and intervention, including expanded access to instructional technology. In
Implementation of Academic Standards, professional development was expanded and improved in order to meet teacher needs in improving instruction. Another highlight of the year was parent engagement. The school offered parent education classes, conducted school advisory committee meetings, and engaged parents through family events such as student-led conferences. Parent survey 18-19 shows strong satisfaction as evidenced by level 3 or higher on a four-point scale. Student satisfaction also remained high, earning a level three on a four-point scale.

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the “Red” or “Orange” performance category or where the LEA received a “Not Met” or “Not Met for Two or More Years” rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

**Greatest Needs**

Of the data provided on the 2018 CAASPP assessment, the school has identified ELA (36.7% Meets and Exceeds) and Mathematics (23.13% Meets and Exceeds) achievement as areas of greatest need, which is also aligned to our LCAP goals. In order to address the areas of greatest need, the school will implement differentiated instruction as well as instructional technology for intervention within and outside of the school day. The school will also utilize MAP Growth assessment data to inform intervention and engage stakeholders in goal-setting. Suspension rate (5.7%) is an additional identified area of need. In order to reduce the suspension rate, the school will increase support for positive behavior intervention supports and utilize alternatives to suspension and restorative justice approaches whenever possible.

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these performance gaps?

**Performance Gaps**

The data analysis of the CA State Dashboard Fall 2018, indicate that Students with Disabilities are two performance (Red) colors below “All Students” (Yellow) in the Math state indicator. In order to address this performance gap, the school will implement small group instruction and utilize data from MAP Growth assessments to inform planning of intervention.

**Comprehensive Support and Improvement**

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts.

**Schools Identified**

Identify the schools within the LEA that have been identified for CSI.

PUC Inspire Charter Academy is a single school LEA and was not identified for CSI.

**Support for Identified Schools**

Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

PUC Inspire Charter Academy is a single school LEA and was not identified for CSI.

**Monitoring and Evaluating Effectiveness**

Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

PUC Inspire Charter Academy is a single school LEA and was not identified for CSI.

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Implementation 1:
Teachers received P.D. at the school site and organizationally around backwards planning, rigor, and relevance. Teachers engaged in data analysis on specialized professional development days. VAPA team received their own p.d. through our coordinator for VAPA and through outside organizations. Finally, participant survey data was collected and analyzed following each p.d. in order to inform upcoming plans.
Implementation 2:
Teachers were able to disseminate new learning at the school site or organizationally through staff meetings and Community of Practice.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Common Core standards were 100% implemented at the school site. In addition, backwards planning, rigor, and relevance improved across the school.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

No material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Professional development will continue to grow and improve in order to meet this goal, based on needs arising from achievement data in addition to the needs of the staff and leaders. We will continue to seek ways to expand opportunities for outside professional development for our teachers.

Goal 5

- Parents will attend a minimum of 6 family meetings
- Annually, school advisory council will have a minimum of 2 parent members attending quarterly meetings.
- School will provide Parent Engagement Workshops

PUC Parent Center will provide education workshops for parents in core areas of college knowledge, technology, and parenting, along with wellness and other enrichment offerings.

Analysis

Complete a copy of the following table for each of the LEA’s goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

In addition to fulfilling the plans for this goal, the school continued to increase publicity for family meetings, including personal phone calls to ensure increased attendance. School partnered with PUC Valley Parent Center instead of an outside agency to offer parent engagement workshops. Parent Center Advisory Council provided input on topics for workshops.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The school plans to continue with the initiatives around parent access and engagement to continue to meet the goal. PUC Valley schools responded to parent requests for a PUC parent center and formed a center guided by a parent advisory panel. Panel surveyed parents to generate core areas for workshops. As such, school modified LCAP in areas of Goal 5, Action 3, and Budget for Action 3.
Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

No material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Student growth and achievement data was analyzed in order to place students in intervention programs as needed. Students received intervention based on their individual needs. Resources used to provide intervention.

The school provided intervention programs, such as afterschool, Saturday, and summer school as well as instructional technology in support of student learning.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Based on 2018 CAASPP State Assessments results and the CA State Dashboard Fall 2018 Report, the actions and services provided are assisting the school to make progress toward goal of meeting or exceeding state targets.
No material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

In the coming year, we plan to expand the data collection and instructional technology resources in order to improve data collection and increase support for intervention programs. We will continue with actions and services for this goal in New Goal #6 for LCAP 2019-2020.

**Goal 7**

### Analysis
Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Teachers received P.D. at the school site and organizationally around backwards planning, rigor, and relevance. Teachers engaged in data analysis on specialized professional development days. VAPA team received their own p.d. through our coordinator for VAPA and through outside organizations. Finally, participant survey data was collected and analyzed following each p.d. in order to inform upcoming plans. In addition, teachers participated in Milestones meetings to collaborate on proper scope and sequence of standards and opportunities for intervention.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

PD Survey results have a high satisfaction rate, however,
D Survey results have a high satisfaction rate.
CA School Dashboard Fall 2018 shows Orange for ELA and Yellow for Math, and Orange for Suspension Rate. Based on the available data, the school feels the actions are not adequate and further Root Cause Analysis will be done to determine next steps for 19-20.

Stakeholder Engagement

Involvement Process for LCAP and Annual Update

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

October 30, 2018 and 5/16/19 SAC meeting 8/23/18 Back to School Night. These meetings had a school wide focus of parent engagement in the learning process and allowed participants to become familiar with current year LCAP and ask questions.

January 23, 2019: PUC Board presented with LCAP Cycle overview and provided opportunity to ask clarifying questions and provide input.

May 13, 2019: Chief Financial Officer, School Principal, and Compliance Director met to review LCAP Budget for 19-20.

May 31, 2019: Site Advisory Council LCAP Stakeholder Input Meeting
The school hosted a School Advisory Council focused on LCAP and Annual Update. All stakeholders were invited, including school staff, parents, students and community members. Participants had the opportunity to review key features of the LCAP and provide input through questions and general comments. Reflection question: What, if any, recommendations do you have for changes to these goals?

June 5, 2019-- Superintendent Review of Stakeholder Feedback
The PUC Superintendent analyzed stakeholder feedback gathered from May 31 meeting. Superintendent considered all recommendations for additions or changes to the existing draft LCAP goals and metrics and worked to adjust the document to reflect the voices of all stakeholders in the school community. Superintendents also planned to engage stakeholders at the next opportunity by summing up the themes of this input and next steps based on stakeholder recommendations.

June 12, 2019- The school's Board of Directors reviewed and approved the LCAP.

Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

Stakeholder feedback from the May 30, 2019 LCAP Stakeholder meeting confirmed the direction of the current LCAP and provided some important considerations for refinements. Feedback showed strong alignment with the overall plan, and particularly with goals and plans supporting: well qualified teachers, student growth and achievement, parent engagement, and support for English Learners. Participants expressed support for proposed changes and identified progress and areas of need.

Based on a review of stakeholder input, the following changes were made to the 19-20 LCAP. First, in Goal 2 supporting student access to standards-aligned materials and additional instructional materials, we changed "textbooks" to "Textbooks/Books & Supplies." This change allows for more flexibility in purchasing either textbooks or other books such as chapter books for students. Second, In Goal 4, changed expenditure to only "Superintendent" and not include assistants. Third, in Goal 5, expenditure for parent engagement has been split into two: support staff and other operating expenses. This allows for the school to provide adequate supervision and support for set-up, tear-down on the days of parent activities.
Fourth, feedback from parents, staff, and other stakeholders said that there were too many goals. For the 2019-2020 school year, Goals 6-21 have been collapsed into four new goals (New Goals 6-9). This will provide for easier communication of goals and action items. The following is a breakdown of how the goals were combined:

New Goal 6: The following goals were collapsed into this new goal: 7, 8, 9, 10, 17, 18. Changed expenditure from “Newsela or Other Technology Program” to “Other Technology Program.” Changed “Shared Costs-Staffing of ELD Coaches” to “Teacher Leads.” For Middle Schools change “Staffing of College Counselor” to “Staffing of Academic Counselor.”

New Goal 7: The following goals were collapsed into this new goal: 11, 12.

New Goal 8: The following goals were collapsed into this new goal: 13, 14, 15, 16.

New Goal 9: This goal is specific to high school. The following goals were collapsed into this new goal: 19, 20, 21.

The school will report back to stakeholders in the coming year to review the input, including alignment and recommendations, and increasing opportunities for stakeholder engagement in LCAP for the coming year.

The LCFF investments are targeted to low-income, English Learners and Foster Youth students, which aim to fulfill the commitment of providing essential resources for the purpose of closing the achievement gaps that currently exist for these sub-groups. The funds will be spent on improving the charter-wide educational program and meeting the academic goals specified earlier in the LCAP. Note that the school has an unduplicated count percentage of **85.0%** and therefore, it is deemed appropriate and effective to provide services to these students on a charter-wide basis. In addition, the needs of the unduplicated count population are met based on the charter-wide educational model and no additional services need to be provided.

It is done through a strategic investment plan aimed at ensuring all of our students are college and career ready, graduating at a higher rate, provided access to high quality curriculum and instruction, attending school every day and supported by effective employees in safe school environments. The goals that drive PUC Inspire Charter Academy’s LCAP provide a roadmap for targeting resources and improving outcomes through more accountability. The additional supplemental and concentration funds identified in the school’s
LCAP provide an opportunity to fully integrate and improve services for unduplicated pupils by augmenting personnel and academic supports to improve their learning environment and drive academic outcomes. Because of our unduplicated student population count, all of these actions and services are being performed school-wide with the exception of specific and additional action and services that support identified English Language Learners. These investments are aimed at expanding the arts program, providing new and updated classroom libraries, reducing class size for English Language Arts and Mathematics, increasing counseling support, and providing intervention and support programs to youth on their path to graduation. The decision to use the funds in this manner is based on the input from multiple stakeholder groups consisting of employee, parent, community and student members. These funded programs are supported by a number of evidence-based practices that ensure staff is properly serving the targeted youth and aimed at achieving improved academic outcomes.

Specifically, the PUC Inspire Charter Academy is providing resources to:

- Continue with smaller class sizes.
- Teacher Leaders for professional development for integrated and designated ELD support
- Continue assistance for clerical, custodial/maintenance, counselor and administrative support.
- Increase college, career and academic counseling support for high school students (for HS only)
- Support students needing to meet A-G academic requirements and ensuring students are on-track for graduation (HS only)
- Increase restorative justice programming.
- Continue investing in data systems for tracking student progress, including homeless youth.

**ACTIONS/SERVICES CONTRIBUTING TO MEETING THE INCREASED OR IMPROVED SERVICES:**

The details of the action and services and expenditures of the Supplemental and Concentration grant funds are articulated in this plan. These include teacher and administrative recruitment and development, intervention programs, social/emotional supportive programs, strategic professional development, data tracking, programs, and software to better serve all our students including low income, Foster Youth, and English Learner population. Additionally, funds support parent engagement, parent education, as well as stakeholder involvement support and
resources. Because of our unduplicated student population count, all of these actions and services are being performed school-wide with the exception of specific and additional actions and services that support identified English Language Learners. Finally, students with IEPs who are also low-income, foster youth and English learners will receive stated support.
