OCTOBER 2016  
NEWSLETTER

### A Message from the Principal

Hello CALS Middle Families,

We want to welcome everyone to the 2016-2017 academic school year. We are excited to get the school year started in support of our students, families, and our mission. We have been very proud of our Coyote Scholars for starting the school year strong in support of scholar success. On behalf of our entire campus from teachers, teacher assistants, office staff, campus supervision staff, counselors, and leaders #WelcometoCALS2016-2017.

We want to thank you, the parents, for allowing us to be in support of your child's academic journey as a school site. On behalf of myself and our entire school team it has been a pleasure meeting most of you at Back to School Night, morning drop off, afternoon pick up, or by walk in visit to the school site. We welcome you to the school and look forward to a strong year of working together in support of each other and our students. At PUC Schools we have a strong core value around *parents as partners* and look forward to developing and strengthening that partnership with you this school year. We welcome all parent inquiries, comments, feedback, and concerns and look forward to the ongoing dialogue in support of our students and our school. If you should ever need to get a hold of teachers, counselors, inclusion, office staff, finance, campus supervisors, mentors, or leaders please do not hesitate to do so by phone, email, or walk-in visit. We work hard as a school to meet the needs of students and parents and look forward to being of service.

Welcome to CALS 2016-2017!

Ms. Rivas
