## SCHOOL INFORMATION

PUC California Academy Liberal Studies Charter Middle and Early College High School (PUC CALS ECHS) serves the educational needs of students living in the city of Los Angeles, with a concentration on the communities of Lincoln Heights, Cypress Park, and Glassell Park. PUC CALS ECHS, home of the Falcons, was founded in 2003 as a continuation of the personalized, rigorous education imparted at PUC CALS Middle School, a founding charter school at Partnerships to Uplift Communities Schools (PUC Schools). The mission of PUC Schools is to develop and manage high quality charter schools in densely populated urban communities with overcrowded and low achieving schools. We create school programs and cultures that result in preparing all students for career readiness and college completion. We uplift and revitalize communities through the development of educational and other supportive partnerships. PUC Schools uses an educational model based on high expectations for all students, highly qualified teachers, and parents as partners. The school operates on a traditional August-June academic calendar. PUC CALS ECHS is proud to be recognized as a California Distinguished School.

## ACCREDITATION AND CHARTER AUTHORIZATION

- Accredited by the Accrediting Commission for Schools - Western Association of Schools and Colleges (WASC)
- Charter authorized by Los Angeles Unified School District

## HOW COVID-19 IMPACTED OUR STUDENTS

**ACADEMIC PROGRAM:** With students' and teachers' safety at the forefront, all PUC Schools moved to virtual learning starting mid-March 2020 through the 2020-2021 school year. A fraction of students returned to the classroom May 2021 – June 2021 (At risk students and students with IEP/504 plans). A total of 32 students. For the 2020-2021 school year, classes were provided through synchronous learning all day on Monday from 9:00am – 3:05pm, Tuesday – Thursday students had synchronous learning from 9:00am – 2:10pm, with an asynchronous learning block from 2:20pm - 3:05pm, and on Friday mornings from 9:00am – 10:00am students had Advisory (synchronous), and the remainder of their Friday asynchronous learning 10:00am – 1:30pm.

\*\*\*Our students returned to in-person instruction last Fall 2021

**GRADING:** For Spring 2020 PUC Schools adjusted the grade scale to a PASS/FAIL for all classes, and excluded all Spring 2020 Pass/Fail grades, along with grades from external institutions from students' Grade Point Averages (GPAs). We returned to our traditional letter grades A-F for the 2020-21 school year.

**SCHOOL & COLLEGE COUNSELING SUPPORTS:** During virtual learning School & College Counselors provided students and their families with individual meetings, small groups counseling sessions, as well as classroom guidance presentations. In addition, there were virtual college visits and PUC-Wide webinars providing students with guidance and future-focused career information.

**Fall 2022:** The entire school community continues to work to ensure students' mental health, academic and post-high school planning needs are met. Through PUC's blended School & College Counseling program, seniors work with their School & College Counselor online through Naviance's career & college collaboration platform and receive in-person individual, small group, and classroom guidance support. PUC's Alumni Network Program provides seniors with transition presentations throughout their senior year to help prepare seniors for their transition from senior year to life after high school.

## GRADING

In alignment with University of California and California State University undergraduate admissions requirements, PUC Schools do not grant “D” letter grades. A grade below a “C” is a fail and will not satisfy the PUC graduation requirements. Students earning an “F” for any required course must repeat the course to earn a grade of “C” or higher.

- College Courses – College course grade of “C” or higher will receive 1 GPA added value point.
- Grade Replacement - PUC Schools implemented a PUC-Wide grade replacement policy starting the 2015-16 school year. Students may retake any failed course and the newly earned grade; GPA points and credits will replace the previously failed course. The original failed course and grade will remain on a student’s transcript.  
*\*Must be same course subject, level & content.*

## 2022 COLLEGE ADMISSIONS DATA

- 90% admitted to 2 & 4-year colleges/universities
- 61% admitted to a 4-year college/university

## COLLEGE ADMISSIONS EXAMS

Students have the option of taking college admissions exams (ACT/SAT). Many students do not take these exams due to California State Universities (23 institutions) and University of California (9 undergraduate institutions) no longer use SAT or ACT exam scores for undergraduate admissions.

## DUAL ENROLLMENT COLLEGE COURSES

PUC CALS ECHS has developed successful partnerships with Los Angeles City College (LACC), Los Angeles Trade Tech College (LATTC) and Pasadena City College (PCC).

- College courses are primarily offered at PUC CALS ECHS' site and are taught by college instructors
- Students may elect to enroll in college courses taken at LACC, LATTC and/or PCC campuses or online.
- College course enrollment is open to all students starting spring of 9th grade through senior year
- Students must be passing all core academic courses to be eligible
- On average 2 college courses are offered each semester
- College courses are offered after school
