## VOLUME 2

MRS. BROWN & MR. DIAMOND

Hello and thank you for reading the Dolphin Press. We cannot believe this is our second year for The Dolphin Press! We are excited to serve CCMS and provide you with information and updates about our school and the ideas that are important to CCMS students.

This year we are glad to introduce you to our two leaders in The Dolphin Press:

- Destiny Cendejas - our Editor! Destiny will be in charge of putting together our issues and helping the rest of the Dolphin Press staff choose and write their articles.

- Sayeedana Owino - our photographer! Starting next issue, Sayeedana will be taking the photographs that you will see inside of every issue.

Thank you again for reading. If you would like to suggest an idea for an article our find out more information about The Dolphin Press, please reach out to Mrs. Brown, Mr. Diamond, or anyone on the Dolphin Press.

## JUST RIGHT BOOKS

ALEX GONZALEZ - 7TH GRADE

Listen up CCMS students if you are not liking your book and you want a just right one, right here right now ask your advisory teacher to help you find a book just for you. So if someway and somehow your advisory teacher doesn't know than ask your english teacher, She will help because all english teachers are not only the nicest and understanding people you know but they know what to tell you when you're stuck trying to find a just right book. So if you already ahead of the game you can try a book higher than your Lexile level, push yourself. There are people that i know that are still looking for just right books today, I was one one of those people but I asked my advisory teacher helped me see what I can read and I went to her class for bookclub everyday. So

she helped me in a lot of books that I can read. Therefore just right books are really important to us, and don't waste your time and just remember to read read read!

**I "PICK"**

- P** Purpose: Why do I want to read?
- i** Interest: Does it interest me?
- C** Comprehend: Do I understand it?
- K** Know: Do I know most of the words?

## MS. SALG

DETINY CENDEJAS - 8TH GRADE

Many new teachers came to CCMS this year and one of those teachers is Ms. Salg who is the new 8th grade science teacher. Ms. Salg grew up in Long Beach California and went to Long Beach State for college. Ms. Slag wanted to be a science teacher because she loves animals and being outside. Also, because she was interested in things like earthquakes and weather and she thought others would be interested in these things too. She wanted to work at CCMS because she heard really great things about this school and wanted to work at a school that was really well put together and with students who actually liked school. Some other things that interest Ms. Salg is soccer which she likes to play but what she likes to watch is football Her favorite sports team is the Dodgers and her favorite player is Enrique (Kiké) Hernández. Her favorite animal is an elephant, her favorite color is yellow, and for all of those wondering "Left or Right Twix?" she chooses right. If you have time make sure to stop by her room say hello and wish her a good day.

## THE FALL DANCE!!!!

CAROLINA AGUIRRE - 6TH GRADE

The Fall Dance was amazing! It happened last week at CCMS, October 27, 2017, in the MPR from 4:30-7:30 PM. All of CCMS will get to dress up and have fun with friends at the Fall Dance. Going to the fall dance was a time to get together as a community have fun with friends, peers, and get involved with your school! Students bought their tickets during book club. There was also a costume contest that students signed up for. One contest was for all the CCMS teachers and staff. 6th grade teachers won by 236 votes!

Other winners were:

- Best Homemade Costume: Manny Esparza
- Funniest Costume: Mikey Montes
- Scariest Costume: Christina Gomez

## SPECIAL HOLIDAYS

PRESTON GARRIDO - 6TH

I interviewed Mr. Sandaval and he said that he goes to a person in his family's house to celebrate special holidays. Most people celebrate holidays to hang out with their family. Halloween will be the next holiday

coming up, so you better be ready. My favorite holidays to celebrate is Christmas, Thanksgiving, and Halloween.

## PUC CCMS BULLYING PREVENTION

PRISCILLA RUBIO - 6TH GRADE

This month Mr. Estrada and Mrs. Seinfeld have chosen a winner for the bully poster contest. She or he will be going to have dinner with them. Things Mr. Estrada want to see on the poster is creative thinking about our care here at CCMS. Since October was national bullying prevention month, during the month of November we should not be bullying to our brothers and sisters. Mr. Estrada said "We will promote our school to show other people that we are a bully-free school". Mr. Estrada and Mrs. Seinfeld had started this contest two years ago with parents. These posters are drawings of what we do here at CCMS which is for us to lean in and help each other and have a voice about what bullying does to someone. Now let's go talk about "WONDER". If you are someone who loves reading books then I suggest

reading the book "WONDER". If you haven't heard, a new movie will be based off the world book phenomenon "WONDER". Before the movie comes out, you can read the book in our school library. This book has an inspiring message. If you have any type of disability you will always be treated the same. Here at CCMS it is like the book message and we have one voice that makes one change and we step up to others so others will never stepped on.

## CCMS SOFTBALL TEAM

SAM ORTEGA - 6TH GRADE

I am writing about the CCMS Softball team. The Softball team's first game is in a couple of weeks. The girls are practicing really hard so they can be the best for CCMS. The softball team last year went to the championships (they only lost one game) and we are hoping that the girls do as well this year or maybe even better! They practice every Tuesday and Friday at Hansen Dam park. If one day you want to see them practice, ask the coach Mr. Sandoval or one of the Softball team members for more information.

## CCMS FOOTBALL TEAM

STEFFONE OWINO - 6TH GRADE

I interviewed Mr. Castaneda, the after school staff and the football coach in the M.P.R. during after school. He decided to start a football team because Mrs. Betty, the after school coordinator asked him if he wanted to start a football team and because a lot of students here have a lot of talent at football. One of the quarterbacks right now is Andrew Rodriguez. They practice every Friday (1 hour), Thursday (2 hours), Tuesday (1 hour + 30 minutes). They have games on Monday, Wednesday, and Friday. Games are at San Fernando park,

they usually start at 4:00, 5:00, and 6:00. Playoffs for CCMS dolphins begin November. They have won 3 games right now and currently lost only 2 games.

## THE FALL FESTIVAL

SAYEEDANA OWINO - 8TH GRADE

The Fall Festival is a fun and engaging time for all grade levels of CCMS and LCA scholars to meet towards the end of the day on the turf to compete in contests and games. The Fall Festival is organized so that everyone can get together as a family to have fun and socialize by competing in contest to win prizes and candy toward the end of the day. For the past few years, CCMS has been celebrating a fall festival and following that is a fall dance. The dance afterward is \$3 and if you were one of the scholars who bought a ticket before a certain date, you'll be earning a Free Dress Pass used for a specific date.

## TOP 5 SONGS OF CCMS

ELIANA GONZALEZ - 8TH GRADE

Hello CCMS Students, these are the Top 5 Songs of CCMS, which means, the most popular songs here at CCMS. Why is this important, you might ask...

Music is everywhere! Music is very important to many people, because it may make them sad, happy, angry, concentrate, or just plain groovy. Listening to music could make you feel more relaxed and more joyful, and so that is why music is so important to modern day people, it uplifts spirits when they're feeling down. :)

Starting off with 5th place:

#5: 1-800-273-8255 - Logic ft. Khalid, Alessia Cara

This song comes in 5th place because most students agreed that this song should be in 5th place and they agreed that this song fits the 5th place.

Next comes in 4th place:

#4: Bank Account - 21 Savage

This song comes in 4th place because many students agreed that this song should be in 4th place because of its beat and rhythm.

Next comes in 3rd place:

#3: Gucci Gang - Lil Pump

This song comes in 3rd place because many students agreed that this song belongs in the 3rd place because of its popularity.

Next in, in 2nd place is:

#2: I Fall Apart - Post Malone  
This song comes in 2nd place because of its popularity and MOST students agreed that this song should come in 2nd place.

Finally, the song that comes in 1st place is:

#1: rockstar - Post Malone ft. 21 Savage  
This song comes in 1st place because of how POPULAR this is, and how that these students agreed that this song belongs in 1st place, because it is a very well-known song and it's really popular in CCMS.

Overall, these songs mean a lot to these students because they obviously enjoy them. These songs are well-known and very famous in CCMS according to some 6th, 7th, and 8th graders of 2017.
