

High School Profile 2019-2020

School Information

Partnerships to Uplift Communities (PUC) founded PUC Lakeview Charter High School (PUC LCHS) in 2010 to serve the students living in the *Northeast San Fernando Valley, with a concentration on the communities of San Fernando and Sylmar.* In the eighth year of operation, PUC LCHS' Class of 2020 will be the seventh graduating class. The mission of PUC Schools is to develop and manage high quality charter schools in densely populated urban communities with overcrowded and low achieving schools. We create school programs and cultures that result in preparing all students for career readiness and college completion. We uplift and revitalize communities through the development of educational and other supportive partnerships. PUC LCHS has developed a successful partnership with Los Angeles Mission College. This *partnership* allows students to take college classes while in high school in 9th-12th grade. PUC Schools use an educational model based on high expectations for all students, highly qualified teachers and principals, and parents as partners. The school operates on a traditional August-June academic calendar. PUC LCHS is proud to be recognized as a California Distinguished School. The 2019 U.S. News Best High Schools ranked PUC LCHS in the top 5% of high schools in the country and top 6% in California.
