

High School Profile 2021-2022

SCHOOL INFORMATION

Partnerships to Uplift Communities (PUC) founded PUC Lakeview Charter High School (PUC LCHS) in 2010 to serve the students living in the Northeast San Fernando Valley, with a concentration on the communities of San Fernando and Sylmar. In our eleventh year of operation, PUC LCHS' Class of 2022 will be the ninth graduating class. The mission of PUC Schools is to develop and manage high quality charter schools in densely populated urban communities with overcrowded and low achieving schools. We create school programs and cultures that result in preparing all students for career readiness and college completion. We uplift and revitalize communities through the development of educational and other supportive partnerships. PUC Schools educational model is based on high expectations for all students, highly qualified teachers and principals, and parents as partners. The school operates on a traditional August-June academic calendar. PUC LCHS is proud to be recognized as a California Distinguished School. In 2019, U.S. News Best High Schools ranked PUC LCHS in the top 5% of high schools in the country and top 6% in California.

ACCREDITATION AND CHARTER AUTHORIZATION

- Accredited by the Accrediting Commission for Schools--Western Association of Schools and Colleges
- Charter authorized by Los Angeles Unified School District

HOW COVID-19 IMPACTED OUR STUDENTS

ACADEMIC PROGRAM: With students' and teachers' safety at the forefront, all PUC Schools moved to virtual learning starting mid-March 2020 through the 2020-2021 school year. A fraction of students returned to the classroom last May 2021-June 2021 (At risk students and students with IEP/504 plans. A total of 68 students). For the 2020-2021 school year, classes were provided through synchronous learning, block schedules Monday-Thursday (10:00am-2:55pm), and synchronous on Friday mornings (10:00am-10:40am) for Advisory, with the remainder of students' Friday consists of asynchronous learning (10:40am-2:55pm).

GRADING: For Spring 2020 PUC Schools adjusted the grade scale to a PASS/FAIL for all classes, and excluded all Spring 2020 Pass/Fail grades, along with grades from external institutions from students' Grade Point Averages (GPAs). We returned to our traditional letter grades A-F for the 2020-21 school year.

SCHOOL & COLLEGE COUNSELING SUPPORTS: During virtual learning PUC LCHS' School & College Counselors provided

students and their families with individual meetings, small groups counseling sessions, as well as classroom guidance presentations. In addition, there were virtual college visits and PUC-Wide webinars providing students with guidance and future-focused career information.

Fall 2021: PUC LCHS returned to in-person instruction this Fall 2021. The last time this Class of 2022 seniors were in-person they were second semester sophomores. The entire PUC LCHS community is working to ensure students' mental health, academic and post-high school planning needs are met. Through PUC's blended School & College Counseling program, seniors work with their School & College Counselor online through Naviance's career & college collaboration platform. In addition, seniors receive in-person individual, small group and classroom guidance services. PUC's Alumni Network Program provides seniors with transition presentations throughout their senior year to help prepare seniors for their transition from PUC LCHS to life after high school.

GRADING

In alignment with University of California and California State University undergraduate admissions requirements, PUC Schools do not grant “D” letter grades. A grade below a “C” is a fail and will not satisfy the PUC graduation requirements. Students earning an “F” for any required course must repeat the course to earn a grade of “C” or higher.

- **Advanced Placement (AP) & College Courses** – AP & college course grade of “C” or higher will receive 1 GPA added value point.
- **Grade Replacement** - PUC Schools implemented a PUC-Wide grade replacement policy starting in the 2015-16 school year. Students may retake any failed course and the newly earned GPA points and credits will replace the previously failed course GPA and credits calculations (Must be same course name & content). The original failed course and grade will remain on a student’s transcript.
