SSP Action Plan -Goal 1

Centered on 3 Goals:

1) Student Achievement and Outcomes

School-wide Goals:

- 2.3A Teacher/Student interactions
- 3.4B Feedback to Students - **Changing to Academic Discourse/Group Structures**

Sustaining Practices:

- high relational approach
- regular coaching and observation cycles with site leaders
- opportunities for feedback in all lessons
- MAP data analysis cycles

Centrado en 3 objetivos:

Logros y resultados de los estudiantes

Metas de toda la escuela:

- 2.3A Interacciones profesor / alumno
- 3.4B Comentarios a los estudiantes

Prácticas sostenibles:

- enfoque relacional alto
- ciclos regulares de entrenamiento y observación con los líderes del sitio
- oportunidades de retroalimentación en todas las lecciones
- Ciclos de análisis de datos MAP

SSP Action Goal #2

2) Engagement

Implementation Steps:

- Growing positive student culture through targeted incentive programs via the 5-Star program, a refined school-wide PBIS Matrix and monthly Lion Celebrations.
- Quarterly surveys to stakeholders collecting data that will guide school culture goals and initiatives
- Build on the collaborative culture focused on mutual support and growth through professional communication, teambuilding, and learning walks.
- Continue to grow the college-going atmosphere by supporting students to set personal goals and monitor graduation progress through the Naviance program.

Strategic Objectives:

Gather and implement stakeholder data to guide school initiatives in providing a positive and supportive school culture

-End of Semester Survey Coming soon

2) Compromiso

Pasos de implementación:

- *Cultivar una cultura estudiantil positiva a través de programas de incentivos específicos a través del programa 5 estrellas, una matriz PBIS refinada para toda la escuela y celebraciones mensuales de los Leones.*
- *Encuestas trimestrales a las partes interesadas que recopilan datos que guiarán los objetivos e iniciativas de la cultura escolar.*
- *Construir sobre la cultura colaborativa centrada en el apoyo mutuo y el crecimiento a través de la comunicación profesional, la formación de equipos y las caminatas de aprendizaje.*
- *Continuar haciendo crecer el ambiente universitario al ayudar a los estudiantes a establecer metas personales y monitorear el progreso de la graduación a través del programa Naviance.*

Objetivos estratégicos:

Recopilar e implementar datos de las partes interesadas para guiar las iniciativas escolares a fin de brindar una cultura escolar positiva y de apoyo.

SSP Action Goal #3

3) Conditions for Learning

Implementation Focus Area:

- Ensure the school maintains a safe and compliant school facility for all.
- Ensure school is compliant with Covid-19 Protocols

Sustaining Practices:

- Conduct weekly facility walkthroughs in order to ensure facilities and all necessary repairs are up to date.
- Ensure reporting system is up to date and that all teachers and staff know proper procedures for reporting any facility issues.
- Review and practice of all relevant safety drills.
- Conduct weekly covid testing and follow covid protocols

3) Condiciones para el aprendizaje

Área de enfoque de implementación:

- Asegurar que la escuela mantenga una instalación escolar segura y que cumpla con las normas para todos.
- Asegúrese de que la escuela cumpla con los protocolos Covid-19

Prácticas sostenibles:

- Realizar recorridos semanales de las instalaciones para garantizar que las instalaciones y todas las reparaciones necesarias estén actualizadas.
- Asegurar que el sistema de informes esté actualizado y que todos los maestros y el personal conozcan los procedimientos adecuados para informar cualquier problema de la instalación.
- Revisión y práctica de todos los simulacros de seguridad relevantes.
- Realice pruebas de covid semanalmente y siga los protocolos de covid

Supplemental Funding and Feedback

- School Library
- Training for Teachers and Staff on...
 - Social Emotional Learning
 - Equitable Grading Practices
 - Restorative Justice Practices

Covid-19 Dashboard

Covid 19

QUARANTINE RECOMMENDATIONS

Source

TYPE OF CLOSE CONTACT	Vaccinated Close Contact	Unvaccinated Close Contact + Mask	Unvaccinated Close Contact + Unmasked
 The Situation	If the close contact is symptomatic, they should quarantine at home	Both the close contact & the infected contact were masked & under the supervision of staff.	If close contact was not wearing mask or the infected person was unmasked.
What to Do	If close contacts is asymptomatic, they can refrain from quarantine	The close contact may undergo a MODIFIED QUARANTINE and attend school in-person if: <ol style="list-style-type: none"> 1. Are asymptomatic 2. Continue to mask 3. Test 2x week for 10 days 4. Quarantine from all extracurricular activities 	If close contact is asymptomatic, self-quarantine can be discontinued if: <ol style="list-style-type: none"> 1. Quarantine can end after Day 10 from exposure without testing OR 2. Test on Day 5 and if negative can return on Day 8
The Follow-Up Needed	Follow-Up: Test 3-5 days after exposure	Follow-Up: Test 2x a week for 10 days, monitor for symptoms	Follow-Up: Continue daily self-monitoring through Day 14, if symptoms develop person must isolate & test
