

High School Profile 2019-2020

School Information

PUC Triumph Charter High School (PUC TCHS) was founded by PUC in 2010 to serve the students living in the *Northeast San Fernando Valley, with a concentration on the communities of Sylmar, San Fernando, Pacoima, and Sun Valley*. In our ninth year of operation, PUC TCHS' Class of 2020 will be our seventh graduating class. The mission of PUC Schools is to develop and manage high quality charter schools in densely populated urban communities with overcrowded and low achieving schools. We create school programs and cultures that result in college graduation for all students. We uplift and revitalize communities through the development of educational and other supportive partnerships. PUC TCHS has developed a successful partnership with Los Angeles Mission College allowing students in grades 9th through 12th to take college classes. PUC Schools use an educational model based on high expectations for all students, highly qualified teachers and principals, and parents as partners. The school operates on a traditional August-June academic calendar. In April 2017, PUC TCHS was honored with a Gold Ribbon Award by the California Department of Education. The 2019 U.S. News Best High Schools ranked PUC TCHS in the top 7% of high schools in the country and top 9% in California.
