**CAASPP System**

El CAASPP System examining includes the following assessments and student requirements:

- Smarter Balanced Summative Assessments for ELA and Mathematics.
- Other assessments were required to be:
  - Administered only following health and safety guidelines.

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs:

- Students were tested only if the LEA had previously tested.

**C. Engagement**

- Grades Five, Eight and High School (School Year 2020—2021)
- Note: For any 2020–2021 data cells with N/T values indicate that this school did not test students using the CAASPP Science.

- Grades Three through Eight and Grade Eleven (School Year 2020—2021)
- Note: In cases where the school administered only the CAASPP assessment, LEAs/schools will populate this table with "N/A" values in all cells, meaning the number of students is too small for statistical accuracy or to protect student privacy.

- Note: N/T values indicate that this school did not test students using the CAASPP for Mathematics.

- Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

- Note: N/T values indicate that this school did not test students using the CAASPP for ELA.
